The following professional literature is disseminated by VEB Serumwerk-Dessau to support their sales program:

1. "Bluko", a brochure describing a flask for the preservation of whole blood, for use in East German blood donor centers.
2. "Heilmittel-Serumwerk VEB Dessau", a booklet which lists the products (serums, vaccines, snake poisons, tuberculins, pharmaceuticals) and prices of the Dessau plant. Thirty-one products for human and veterinary use are described.
3. "Globinal", "Fissurin-Salbe", "Pyolysin", "Viprasid", "Camphedrin", "Homoseran", and "Tetanus Vaccine", a group of reprints from various medical journals which describe successes of treatment employing the Dessau products listed.
